Re: Appeal of Intervening. Case Number 1:05CR00072-001

Dear Judge Farrow,

I write this letter in reference to the conversation we had during my sentencing hearing on 2-9-06

During the hearing you told me that I have the right to appeal my sentencing and to write you if I needed council to represent me.

As of this moment I can not afford council and I respectfully ask you to assist me with council to represent me in this matter.

Very truly yours

Sincerely
Chavez Gale
